PROFESSIONAL SUMMARY

UI/UX Designer and Full-Stack Web Developer with a BCA and an MCA, experienced in building responsive web applications with React.js, Node.js, Express.js, MongoDB, and MySQL (MERN stack). Completed an Operations and Maintenance internship at Bangalore Metro Rail Corporation Limited (BMRCL). Combines UI/UX design skills in Figma, layout, and colour theory with front-end and back-end development to deliver functional, user-friendly digital products. Also creates tech tutorials and graphic design content on YouTube.

SKILLS

Web Development: HTML5, CSS3, JavaScript, React.js, Node.js, Express.js, MERN Stack, Full-Stack Development, Responsive Web Design
Databases: MongoDB, MySQL, JSON, Browser LocalStorage
UI/UX and Design: UI/UX Design, User Interface Design, Visual Design, Layout and Colour Theory, Figma, Canva, Graphic Design
Tools and Platforms: GitHub, GitHub Pages, Formspree
Content and Communication: YouTube Content Creation, Thumbnail Design, Visual Communication, Content Planning
Professional Skills: Creative Problem-Solving, Research and Learning, Attention to Detail, Communication, Project Planning

EXPERIENCE

Internship Trainee, Operations and Maintenance (O&M) Wing

Bangalore Metro Rail Corporation Limited (BMRCL) | Bengaluru, Karnataka | July 2026 - September 2026

- Completed an internship with exposure to four technical departments: Signalling, Telecom, Automatic Fare Collection (AFC), and Information Technology (IT).
- Gained insight into metro rail technology, technical operations, and real-world industry practices.

PROJECTS

MetroGo - Smart Metro Rail Management System

Technologies: HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB, JSON (MERN stack)

- Developed a full-stack web application inspired by Namma Metro that combines route planning, ticket booking, and passenger safety.
- Built route search across the Purple and Green lines with fare checks and crowd predictions, plus wallet-based ticket booking with scannable QR codes, automatic refunds for fare corrections, and a one-tap SOS emergency alert.
- Created a personal dashboard with streaks, badges, and a monthly “Wrapped” recap, and an admin control room to track bookings, resolve emergencies, post service alerts, and filter bookings.

BrewTheory Cafe - Smart Cafe Web Application

Technologies: HTML, CSS, JavaScript, Node.js, MySQL, JSON

- Developed a web application that automates cafe operations such as table booking, food ordering, and billing.
- Enabled users to view available tables, reserve seats, place orders, and make payments; built an admin panel to manage menu items, bookings, and customer data.

My Gallery - Retro 8-bit Photo Album

Technologies: HTML, CSS, JavaScript

- Built a front-end photo album app with photo upload, custom captions, and polaroid-style cards with dates; saved data between visits using browser LocalStorage.
- Implemented 6 colour themes with CSS variables, custom pixel cursors, background music, a typewriter title, and floating sparkle animations, applying DOM manipulation.

Personal Portfolio Website - rohinip-dev.github.io/portfolio

Technologies: HTML, CSS, JavaScript, GitHub Pages, Formspree

- Designed and developed a responsive, accessible, mobile-friendly portfolio with a dark/light theme toggle, selectable colour moods, a project pop-up viewer, a design gallery, and a working contact form.

EDUCATION

Master of Computer Applications (MCA)

Brindavan College, Bangalore, Karnataka | 2024 - 2026 | Score: 83.3%
Developed knowledge of computer applications, software development, and information technology.

Bachelor of Computer Applications (BCA)

Bhartiahar University, Coimbatore, Tamil Nadu | 2021 - 2024 | Score: 80.6%
Built a foundation in programming, computer science, and application development.

ADDITIONAL EXPERIENCE

YouTube Content Creator - @itsjustru | youtube.com/@itsjustru

- Create aesthetic desktop customisation videos, beginner-friendly tech tutorials, and creative digital content; design thumbnails and graphics, developing visual communication and content planning skills.
